**Dear TC Community,**

The 2009-10 school year, and now September, are upon us. The past summer was, as seems to always be the case, a very busy time filled with both catch-up tasks and preparations for the upcoming year.

A luncheon/workshop was held in June with representatives of the agencies in Greene County that partner with the CCA to refresh our understanding of each other and make some plans for the future. Some of those plans included service placements for Nettie Day, which is fast approaching. YOU are invited to participate in Nettie Day. There will be a lot of work being done on campus this year as faculty and staff not helping with Tusculum Experience classes will be asked to help beautify our campus that day. If you would like to join in this wonderful tradition, just let the CCA know and we’ll add you to the list.

**Thank You,**
Joyce Dougherty
Director

---

**Bonner Leaders Orientation:**

This year’s first Service on Saturday will actually take place on Sunday, Sept. 13th from 1:30-5:30 at the Greene Co. Fairgrounds. We will be helping facilitate a Day for Kids w/the Boys & Girls Club. Anyone interested in serving kids in our community call Jamie Sizemore at 639-5755.

CCA Administrative Assistant & Bonner Coordinator, Wanda Rahm, recently spent four days in Princeton, NJ at the Bonner Foundation’s New Directors & Coordinators Conference. She learned a lot, networked and came back excited about the challenges and possibilities of the coming school year.

**Spotlight on Service:**

Mr. Boazin Katina, TC Senior and Bonner Leader Co-President, spent two weeks during the summer break serving in Belize through Pro World Service Corps. He volunteered at Faith Nazarene School in San Ignacio Belize. Mr. Katina held discussions with students on various topics, taught art classes, helped with the 5th grade class, and judged the annual Science Fair. He also founded the Tusculum College Scholarship Fund to help unfortunate students in San Ignacio to attend school. Since he has returned he has been working on setting up a pen pal program with the school.

Tusculum is very proud and fortunate to have students such as Mr. Katina who are willing and excited to serve others both home and abroad! Anyone interested in contributing to the TC Scholarship Fund or in becoming a pen pal contact Mr. Katina at bkatina@students.tusculum.edu.
